DETAILED ACTION

1. Claim 1 has been canceled.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant's representative on April 14, 2005.

In claim 3, delete the word [an] and insert instead the word the.

In claim 3 , after the words " according to claim " delete [1] and insert instead 2 and after the words "wherein said " insert end part is coated with a protective film and said overcoat coats said and delete after the words protective film [is coated with a overcoat made of resin having low permeability to elemental sulfur components].

In claim 4 , delete the word [an] and insert instead the word the, and delete after the words "according to claim" [1] and insert instead 3.

Allowable Subject Matter

3. Claims 2-7 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of the record in particular Miller'901 does not teach or suggest a supporting structure for an electromagnetic device used in oil, including inter alia a coil terminal

electrically connected to said conductor at an end part thereof which is led out from said coil, the outer coating at said end part of said conductor being removed, wherein at least one of said coil terminal and said end part is coated with an overcoat made of a resin having low permeability to elemental sulfur and sulfur compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
